TIME IN A

*Before this time
Of leaving comes
To take us on our way
The times we shared will
Linger in our memories
Every day.*

Math

The Mathematic Department offers more than just your average math courses. The needs of college bound students are satisfied along with those of the average math students. General Math, Algebra I, Geometry, and Algebra II, are open to all students. The Junior and Senior year may be advanced with Math Analysis and Calculus in the daily schedule.

Business

The Business course gives a headstart to students preparing for an occupation in the business world. Many students are qualified for an office job upon graduation as a result of being involved in this course.

Looking back on some of our classes, we recall typing as an impossible task; both feet flat on the floor, and eyes away from the keyboard. Shorthand wasn't any easier, but speed and accuracy were ever present goals. Mastering various office machines was an accomplishment in itself, but the responsibility felt after you were assigned the office Simulation Program is not likely to be soon forgotten.

Miss Karen Howell

One of the most exceptional features of the Humanities department at Mt. Pleasant Area is the large variety of English and Art courses available to choose from. Students have the opportunity to fulfill their individual needs with courses from the areas of communication and literature under the supervision of Mr. Joseph Lesko. Further artistic needs are satisfied with courses such as ceramics, jewelry, enameling, commercial art, etc., under the guidance of Mr. Michael Comfort.

Social Studies

Studying declining empires, flourishing societies and current events proved to be quite a challenge. With each year from Freshmen History to Problems of Democracy our knowledge of the world increased. The Social Studies Department continues to identify our place in today's society and familiarize us with our system of government. Yes that's the way it was in the Social Studies Department in 1976.

Library

Mrs. Jean Shaw

The MPAHS Library contains a numerous amount of reading material in almost every area. There are also other educational resources such as films, microfilms, tapes and records.

Freshmen will always have that slight fear, and sophomores will continue to use the library for emergency information only. While some juniors and seniors come to the library to enjoy the quiet along with a book or a newspaper.

Physical Science

Mr. Duane Cramer

Miss Suzanne Stieska

Mr. Joseph E. Simon

Mr. James F. DiMuzio

Earth Science was a neat notebook with complete experiments. There were those who found Biology a series of genetic cross and some thought of it as lab reports. Juniors grumbled continuously over the cut lunch periods while reading for Chemistry. Then there were those seniors who trudged to physics wearing a cynical smile. Physical Science may have seemed amusing but it was also very important and worthwhile to many Students.

Nurse

Each year in some way our Nurse, Mrs. Dominick is confronted by every class, whether it be freshmen T.B. test, junior physicals or giving everyone an eye and hearing test. Mrs. Dominick is also the advisor of the F.M.C.C., a club for students interested in medical careers.

The world is full of international differences, but the high school has an answer to the problem. Students can study various Foreign Languages which are French, German, and Spanish.

Occupational Education is a course developed to help students prepare for a job. The students are taught basic skills such as math and english and how to go about obtaining a job.

Mr. Vicent Miele

The Home Economics Department offers a wide variety of courses to prepare the student for the future. Not only do they teach cooking and sewing, but they offer courses that assist the student in buying a car and insurance, planning a wedding, purchasing adequate housing and working with children.

One of the most practical and valuable courses offered at MPAHS is Drivers Education. Through class discussions, films, simulators, and road work the students become safer drivers. Projects such as changing a tire allow the classes to experience the ups and downs of driving.

The goal of the Industrial Arts Department is to familiarize the student with the fundamentals of building. The students take pride in their handiwork and gain experience through their results.

Free exercise, table tennis, swimming, volleyball, basketball, and camping are just a few of the areas covered by our active Physical Education Instructors.

Their main goals are to promote better physical health through the proper exercise and toning of muscles, and to expose their classes to all types of gymnastic apparatuses.

Counseling is a very important part of everyone's education. Without our competent counselors many students would have had a much more difficult time deciding the field in which they would be best suited. Our guidance counselors provide interested students with books and information about colleges and careers.

ORGANIZATIONS

Student Council Evolves

The purpose of the Student Council is to promote the best interest of the school. Thus, they strive to create cooperation between the students and the teachers.

Activities include annual events such as sponsoring the Homecoming festivities and the Christmas Dance. Different committees are appointed with each one having a specific goal and responsibility.

The president of the Council attended meetings of the Student Forum which consisted of the presidents from the area schools.

They discussed the problems brought to them by the student body and how these problems might be solved.

The Student Council proved to be very capable and responsible leaders for the entire student body.

The National Honor Society was established to create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students.

Each year the National Honor Society inducts ten percent of the Senior Class and fifteen percent of the Junior Class. Dr. Harry Stratigos and Miss Clarina DiPietro advised the club on their various activities. The most worthy project for this years club was the adoption of a girl from North Dakota. To finance this project the club had a successful candy sale.

German Banquet

Annual Feast

73

The German Club, created with the objective of helping each student further their activeness with the German language had another successful year with Mr. Yencha as their advisor. The German Banquet was as popular as ever, just as was the annual Spring Picnic held at Mammoth Park. The club attended a seminar at California State College during the month of March, they also awarded scholarships to deserving seniors involved in the German Club. Funds for these activities came from selling subs, records, and magazines.

Another praiseworthy event involving the German Club occurred on March 8, 1976 when five of our German Students attended and entered an essay, posters and composition contest at the University of Pittsburg campus at Greensburg. With students from all area high schools and colleges competing our five; Karla Gansor, Kamie Brasher, Mike Bonkovich, Dolores Kwak and Kim Schandel were awarded eleven of the fifteen possible prizes.

Spanish Club

The purpose of the Spanish Club is to recognize high achievement in Spanish by students of the high school.

The biggest event is the Spanish Presentation held at Buhl Planetarium each year. Students participating in the short programs are from various schools in the area.

The Spanish Club also offers a scholarship for a student furthering their education and ends the year with the Annual Spring Picnic held at Mammoth Park.

Le Cercle Francais

The purpose of the French Club is to interest students of the French language in the ways of life in France. The club members present programs concerning the French culture. A mural, depicting a typical

French City, was hand painted on the wall of the French Room by members of the club. To raise money for a field trip at the end of the year, the French Club, headed by Miss Burge, sold raffle tickets on a beautiful Bicentennial Afghan.

Youth Education Association

The Youth Education Association, established in 1974, promotes communication, interaction, and co-operation with educators. Y.E.A. is concerned and works for the welfare of youth and the improvement of education. The club also provides information and activities dealing with the roles of leaders and education in our society. Students are aided in trying to develop personal growth through leadership, training, and experience. This 1976 club, under the advisorship of Mr. Ronald Kozak, succeeded in maintaining these values once again. The club sponsored a tutoring service to any student requesting aid in a subject. Each teacher was provided with a Y.E.A. student aid for any help they needed. All Y.E.A. members also had the opportunity to be a teacher in a student take over day sponsored by the club. The big event of the year was the annual convention held at the Sheraton Inn in Gettysburg, where Y.E.A. Clubs from all over Pennsylvania attended. Money for this trip was raised from selling pizzas and the memorable mum sales in the fall.

Theatrical Appreciation Group

Officers: A. Castline, Treasurer; L. Boerio, Secretary; J. Juliano, Vice-President; K. McKenna, President.

The Theatrical Appreciation Group, or Tag as it is generally called, is devoted to the cultural enlightenment of Mount Pleasant Students. Some of their many activities include trips to ballets, live theatrical performances and rock concerts. This year, the Eliot Feld Ballet, Godspell, a David Bowie concert and a performance by Bette Midler were some of the programs attended by Tag. It is the goal of Tag to promote a better understanding of the theatrical arts. Acting advisor of the club is Mr. Myers.

Ecology Club

The purpose of the Ecology Club is to stimulate a concern of present day ecological unbalances, to recreate ourselves, and to bring the members of it into a closer relationship with other living things. With the help of the advisor Mr. Joseph Simon, the club carried out their goal of making the school and community a better place to live.

Under the supervision of Mrs Dominick, F.M.C.C. provides information and gives encouragement to those students who are interested in pursuing a career in the medical field. The club sponsored fudge sales throughout the year to raise money for their various activities. Proceeds were donated to the American Cancer Society, used for various field trips including one to the Johnstown Rehabilitation Center, and as the year came to a close provided a banquet at Mountain View.

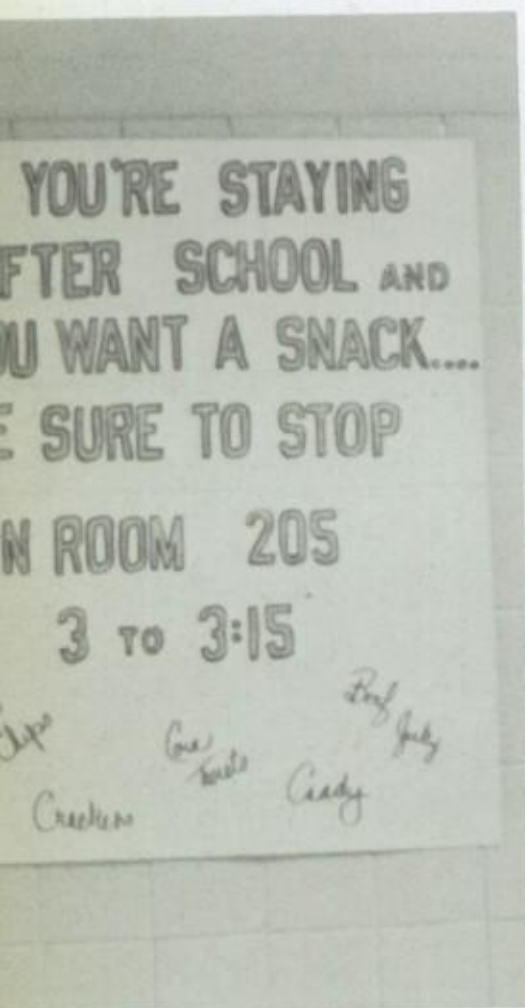

Business Club

To develop competent, aggressive business leadership is one of the many aims of the Business Club. This club encourages members to participate in worthy undertakings for improvement of business. Another goal set forth is to promote school loyalty, develop character, and foster patriotism. In an effort to encourage club members to establish themselves in business, the Business Club has undertaken such projects as an after school snack shop, bake sales, and assisting in the high school office.

The Girls Athletic Association raises funds every year to purchase new equipment for the school. Creativity and practice are the hallmarks of the annual Gym Show. This year's "Gymnastic Moods" consisted of baton, pom pom, tumbling, and various equipment routines. The Swim Show is the second fund raiser. This year the program was put in motion with the music of the Beach Boys.

The Band For All Seasons

Hard work and determination best describes our Viking Band. During football season the marching band performed with skill and excellence. Rainy Friday nights continuously created muddy field conditions. Remember the time you forward marched 8 and your white bucs didn't? Those were the days!

The concert season started early with a concert being held in March. The Spring Concert soon followed with our Viking Band again displaying diligence.

American Field Service

The A.F.S., in cooperation with the local adult chapter of the American Field Service assumes the duty for the welfare of foreign exchange students, Marie Eve Copie of France, and Diane Pain of England.

Some of the money raising projects undertaken were selling candy made by members of the club during Nationality Days, and selling candy bars to the student body.

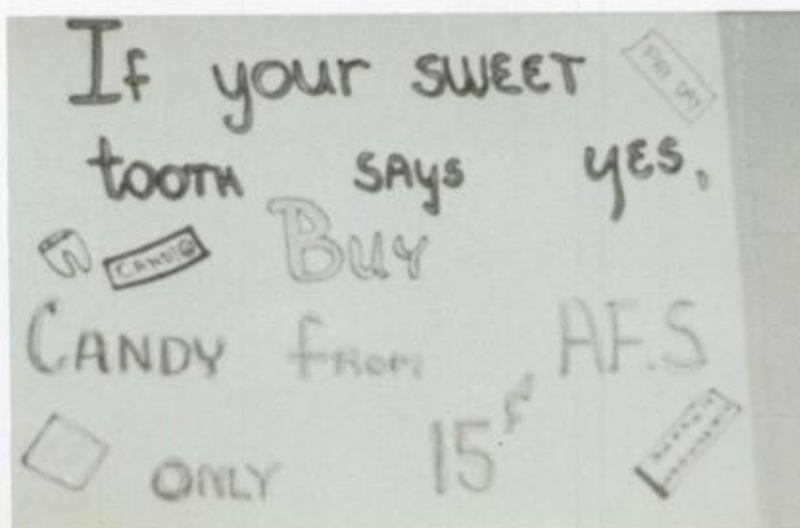

The A.F.S. hosted an American Field Service Day in which exchange students attending surrounding schools visited our school. The objective behind the program is to expose students to as many foreign cultures as possible. At the same time they wanted to provide the opportunity for foreign students to experience the American way of life. The A.F.S. undertakes all of these tasks with enthusiasm and a great effort to promote international peace, brotherhood, and understanding.

AFS STUDENTS tell it like it was

Marie Copie Of France

The first day of school was so scary, first at the bus stop everybody watched me, and I didn't know anybody to talk to. Then we arrived in the school, so nice with its rotunda, but so crowded with unknown faces. The bell rang, I had to go to my locker, that I couldn't find, and after open, then to different classes and I was just lost. Luckily everybody really helped me, taking me to the classrooms for one week.

I really enjoyed the school. Everyday the warm voice of Mr. McKenna welcomed us on the p.a. system and the teachers were really nice and so different than in France, you could even joke with them. School was one of the best part of the year because I could meet a lot of people, make friends, get crazy during pep assemblies, senior days and have a lot of activities with the clubs. I remember going skiing at Seven Springs for hours not feeling the cold, and having a great time with friends Moments such as the night of the swim show when I was so nervous will be the things I will remember about Mount Pleasant.

I really want to thank everybody in Mount Pleasant. The teachers and students for being so opened and everybody for being so nice and helpful and especially my family, the Weinsteins who through the year have considered me as a member of the family.

Dian Pain Of England

When I first came to the school I was really scared I did not know anyone, and everybody was speaking English with such a funny accent. Both teachers and the pupils were so friendly that I began to relax, be myself, and act as crazy as the rest of you. Apart from almost drowning myself in the swim show I feel that the year was on full of happy memories. I must say that I am proud to be a member of the class of '76 since it commemorates two hundred years since my country let your country try to stand on its own two feet.

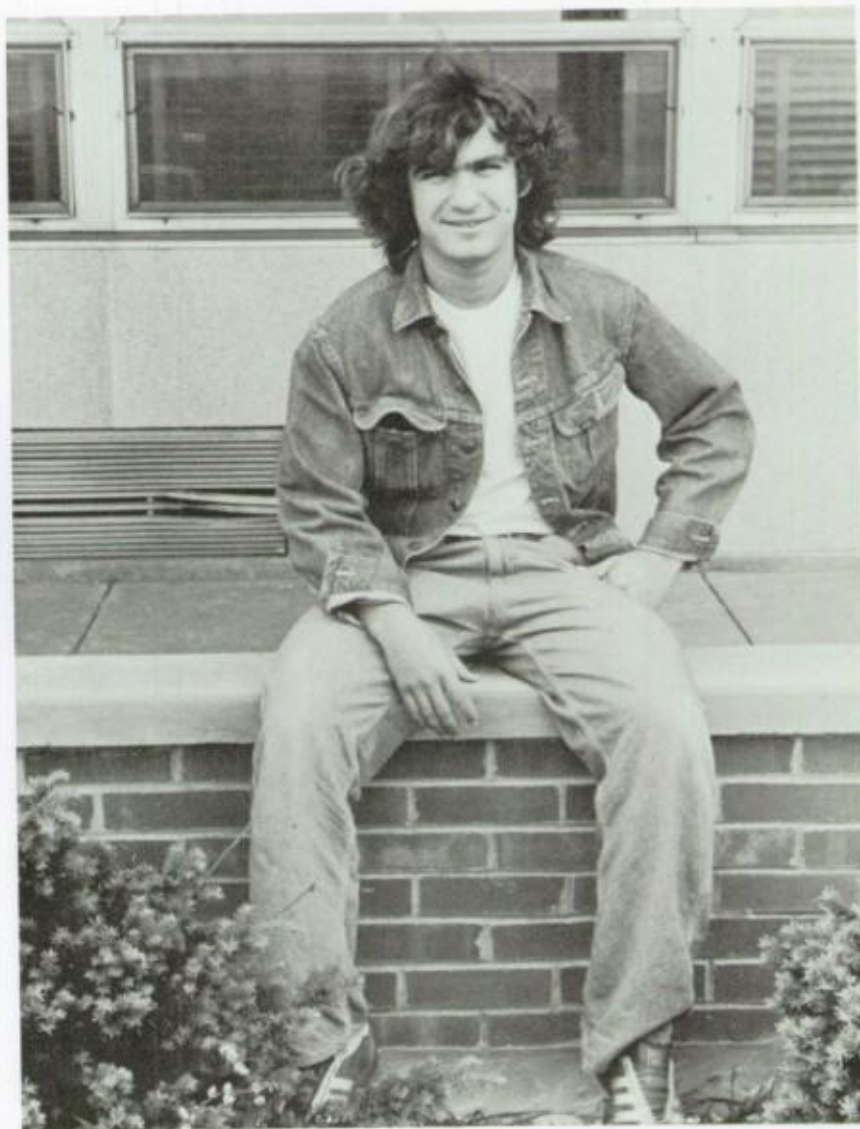

I really enjoyed my year and I saw more sports in one year here than I have seen in all the years past. Somewhere along the line I acquired the name Limey so I would like to say—"You have not seen the last of the Limey"

Thanks to all my friends, I had a super duper year so, as you are expecting me to say:

Pip-Pip Cheerio
The Limey
Alias Pain in the ?

Zeba Of Brazil

Jose de Carvalho Melo Filho Jr., known to the students at Mount Pleasant as Zeba, is a foreign student from Brazil. He resides in Lycippus with his American parents Mr. and Mrs. Dale Bloom. When he first came to Mt. Pleasant he spoke very little English and those who carried on a conversation with him needed a dictionary to translate. Zeba soon picked up on his English and fit in well with the environment. He disliked cold weather, and most American food. At home in Brazil he enjoys surfing and the warm weather year round. Zeba was an active participant on the swim team and was inducted into the National Honor Society during the past year.

Foreign Students Are Active

Library Club

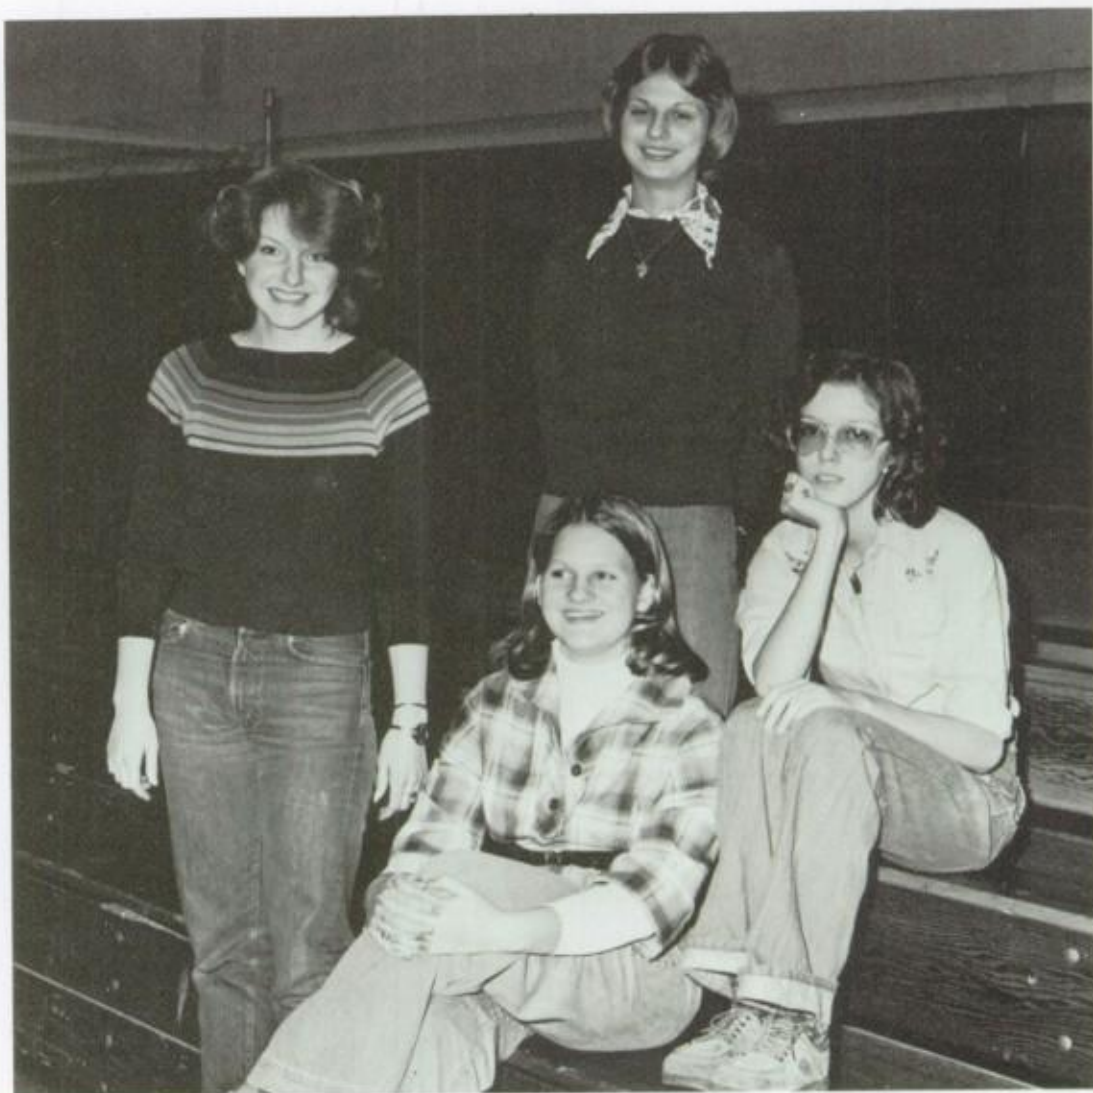

While some students are active in athletics others contribute to the school by working as assistant librarians. During this time they shelve and stamp books, and return permits to study halls. Memories of strictness and respect will always be remembered first and if we listen long enough we will be able to hear the quiet.

This year many students involved themselves in winter sports through the Ski Club. Seven Springs Ski Trips consisted of fun and hazards. For the daring beginner Fawn Slope proved to be a challenge as the inability to remain standing up was soon overcome. Expert skiers tackled Wagner Slope with zest, until the many falls took their toll. At the end of the evening the skiers with their soaked clothes and cold hands looked forward to a nice warm bed in which to rest their bruised muscles.

Debate Team

In only its second year at Mount Pleasant, the debate team, the only academic team in the school, ended with a fine record. There were two teams that actually participated in the varsity debates with one team serving as alternates. The teams consisted of Betsy Lewis, Neal El-Attrache; Ellie Sternberg, Frank Gradler; Kami Brasher, Peter Miller. Betsy Lewis led the team as captain.

The topic for this year was, "That Development and Allocation of Scarce World Resources Should Be Controlled By An International Organization."

The judging was done in six categories: Analysis, Delivery, Evaluation, Organization, Reasoning, and Rebuttal.

1st Row: E. Sternberg, B. Lewis, K. Brasher; 2nd Row: P. Miller, N. El-Attrache, F. Gradler.

The Youth Traffic Safety Council

The Youth Traffic Safety Council (Y.T.S.C.) is comprised of schools in Westmoreland County. Mount Pleasant members are Erin Faust, Terry Gross, Joe Bann, and Mike Bonkovich. The goal of the Safety Council is to promote safety throughout the school. The Council at Mount Pleasant has been quite active. They have presented programs, set up projects and attended conventions all in the interest of safety. An award was presented to the council for the consistent effort they put forth

Although it was a brisk October evening, the atmosphere was full of excitement and anticipation. For the seven girls on the homecoming court tension grew and half-time of the October 3, 1975 football game approached quickly. The moment they had waited for was here and the Homecoming Queen for 1975 would be Alice Bell.

Emotions took control as Eve Kozer, last year's queen placed the crown on Alice.

Six Relieved girls quickly smothered Alice with tears and congratulations. It was an evening of mystic magic.

On Saturday, December 13, 1975, the Senior Class presented the three-act comedy, "Dear Phoebe". The play reveals the trials and tribulations of a rookie journalist reluctantly providing advice for the lovelorn and eventually stumbling into quite a hair raising situation of his own.

A great deal of time and effort, put forth by the cast, made "Dear Phoebe" one of the most successful plays ever presented at MPAHS.

“Moods” Explicit Motif Of Gym Show

“Moods”, was the theme chosen for the 1976 Gym Show sponsored annually by the G.A.A.

The girls who participated showed their well-developed skills on the mats and other various pieces of gymnastic apparatus. Since this is the year of the Bicentennial, a group of girls did a medley of dances ranging from the 1930's up to the present year. Another featured group was the clowns who set the scene with comedy. Under the direction of Mrs. Harvey and Mrs. Fait, the Gym Show provided a expressive gymnastic experience.

Bye-Bye Birdie Big Spring Hit

On April 30th, and May 1st, Mt. Pleasant Area Senior High School presented the academy award winning musical "Bye-Bye Birdie." The musical is staged in an ordinary American town which soon will host Conrad Birdie. Conrad gives a fan "One Last Kiss" and is off to the army, as Rosie and Albert try to keep the town in line. The play ends with Albert breaking the ties of his mother's apron to marry Rose, the girl he has been in love with for "eight long years".

The cast, crew, orchestra, directors, and assistants all under the guidance of Mrs. Charlene Naglich put on a show filled with song, dance, and laughter that will be remembered by many of us for years to come.

Good Vibrations

For some May 6 and the Beach Boys will hold meaningful memories. It will mean the shimmering high school pool and the bathing suit clad performers. The names and faces of the participants may fade, but events such as the boy-girl routine and the grand finale will linger in our thoughts.

Precious And Few

*These Moments We
Shared Together*

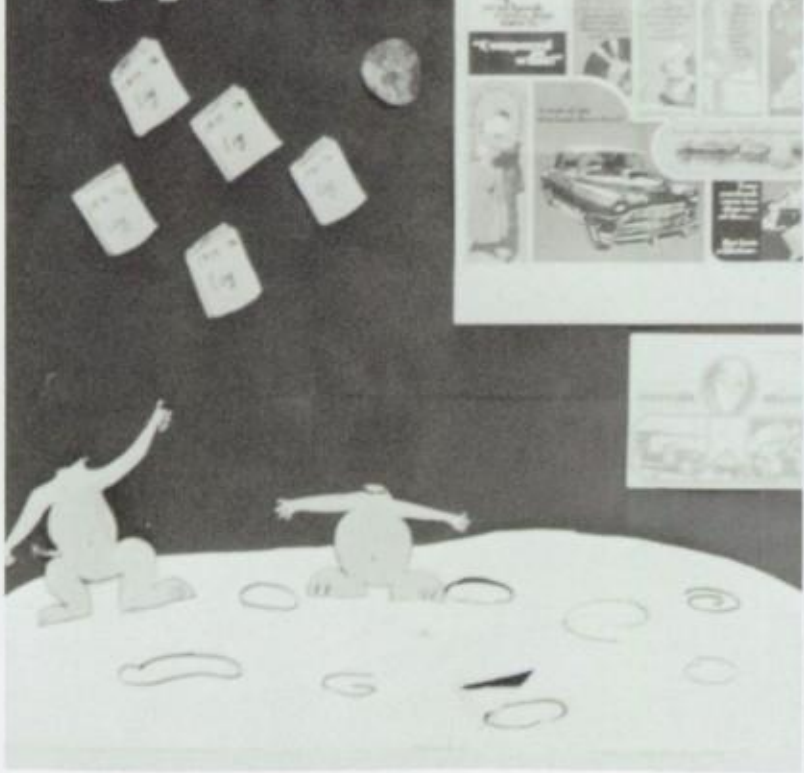

Seven Springs was the setting for the 1976 Junior-Senior Prom hosted annually by the Junior Class. This year the theme, "Precious and Few" was accented by the sound of Church Street and Diamond Rio. A break in the live entertainment was provided by disc-jockey, Jim Rhea. Though it was a misty night, all that attended had an enjoyable evening.

AN INVASION OF MEMORIES

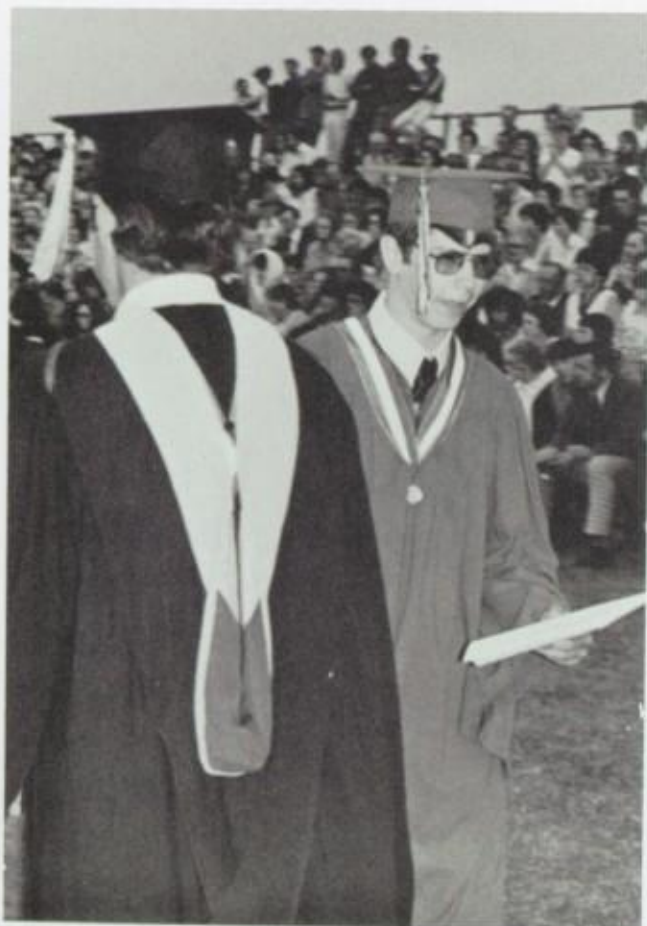

Time To Begin

It was May 28, 1976 and the Bicentennial Class of Mount Pleasant High School was soon to be adventurers in the world. The smiles of pride that had urged these 288 seniors through their twelve years of schooling were all waiting and watching as the diplomas were awarded. As the Alma Mater played, thoughts of the past years ran through many graduates minds. The years past so quickly and now it was time to start all over again.

Senior Six

Robert W. Myers FACULTY ADVISOR, Timothy Gerhart, Marjorie Murtha, Linda Snyder, Debra Bernett, Paulette Nitkiewicz, Constance McKenna.

The Senior Six are determined by the following: Chosen by the highest grade average, this year Debbie Bernett served as Valedictorian and Paulette Nitkiewicz as Salutatorian; Voted by the high school faculty, through which Marjorie Murtha and Constance McKenna were chosen; Or selected by the senior class as were Linda Snyder and Timothy Gerhart.

The topic chosen for this year was "Salute to Our Heritage." Information on the history of the Mount Pleasant community was presented discussing the years from 1776 to the present. Under the guidance of Mr. Myers, each speaker researched and prepared their own speech.

Senior Awards Assembly

To the class of '76 there would be no Senior Day, instead this year an Awards Assembly would be held. Seniors voted for fellow students that they thought best suited the category.

The 1975-76 Golf Team had a very successful season with a record of 10 wins and 0 losses. This record entitled them to the Keystone Conference Championship.

In addition to being first place in our own conference, two new school records were set. Sam Yothers set a low medal score of 67 against Uniontown on October 1, 1975. On the same day, the team of Yothers, Misiak, Polakovsky, Kozak and Roth set a low team medal score of 379.

Sam Yothers, one of our leading and outstanding golfers, qualified for the Final WPIAL Individual Golf Tournament for the third straight season.

Inspite of injuries the Girl's Basketball Team had a successful and exciting season. It was the first winning season with the varsity team handing first place Jeannette a loss during a fast moving game. The varsity team came in second place behind Jeannette while the junior varsity team ended their season with the outstanding record of 14 victories and only 1 defeat. A new scoring record was set by Kim Jacobs who scored 50 points in a single game.

The 1976 Viking Basketball Team was a hard working, determined squad.

Never failing to hustle, our team provided us with many close and exciting moments.

Although the record doesn't do justice in showing the effort put forth by every

player, pride and good sportsmanship was always

maintained Led by coaches

Sam Grubich and Tony

Splendor, the Vikes gave every opposing team a run

for their money.

First Season For Lady Swimmers

Though the season was not successful the interest shown by the girls that participated on the team was super. These girls are not the frail everyday school girls that we picture them to be. Swimming is a tiring sport and many hours of work are put into a season.

The team had a worth while year gaining experience as each new team must. Mrs. Laurel Fait did a fantastic job of coaching the girls throughout the season.

The 1976 Viking Gridders supplied as much thrill and excitement that any fan could ask for. It all started in the summer of '75 when hopes and expectations for a winning season were already beginning to build. These hopes continued throughout the season as the players made their talent and determination apparent to all. In spite of poor playing conditions, injuries, and the fact that most of the needed "breaks" never seemed to come our way, the fighting Vikes, inspired by their mighty gods never gave up the ship. An ending record of 4-4-1 showed the desire put forth by the team keeping their losing efforts extremely close.

Matmen Rough, Tough, Together And Mean

Wrestling is one of the most competitive sports an athlete can enter into. A match is a competition between two individual wrestlers who are of almost equal weight.

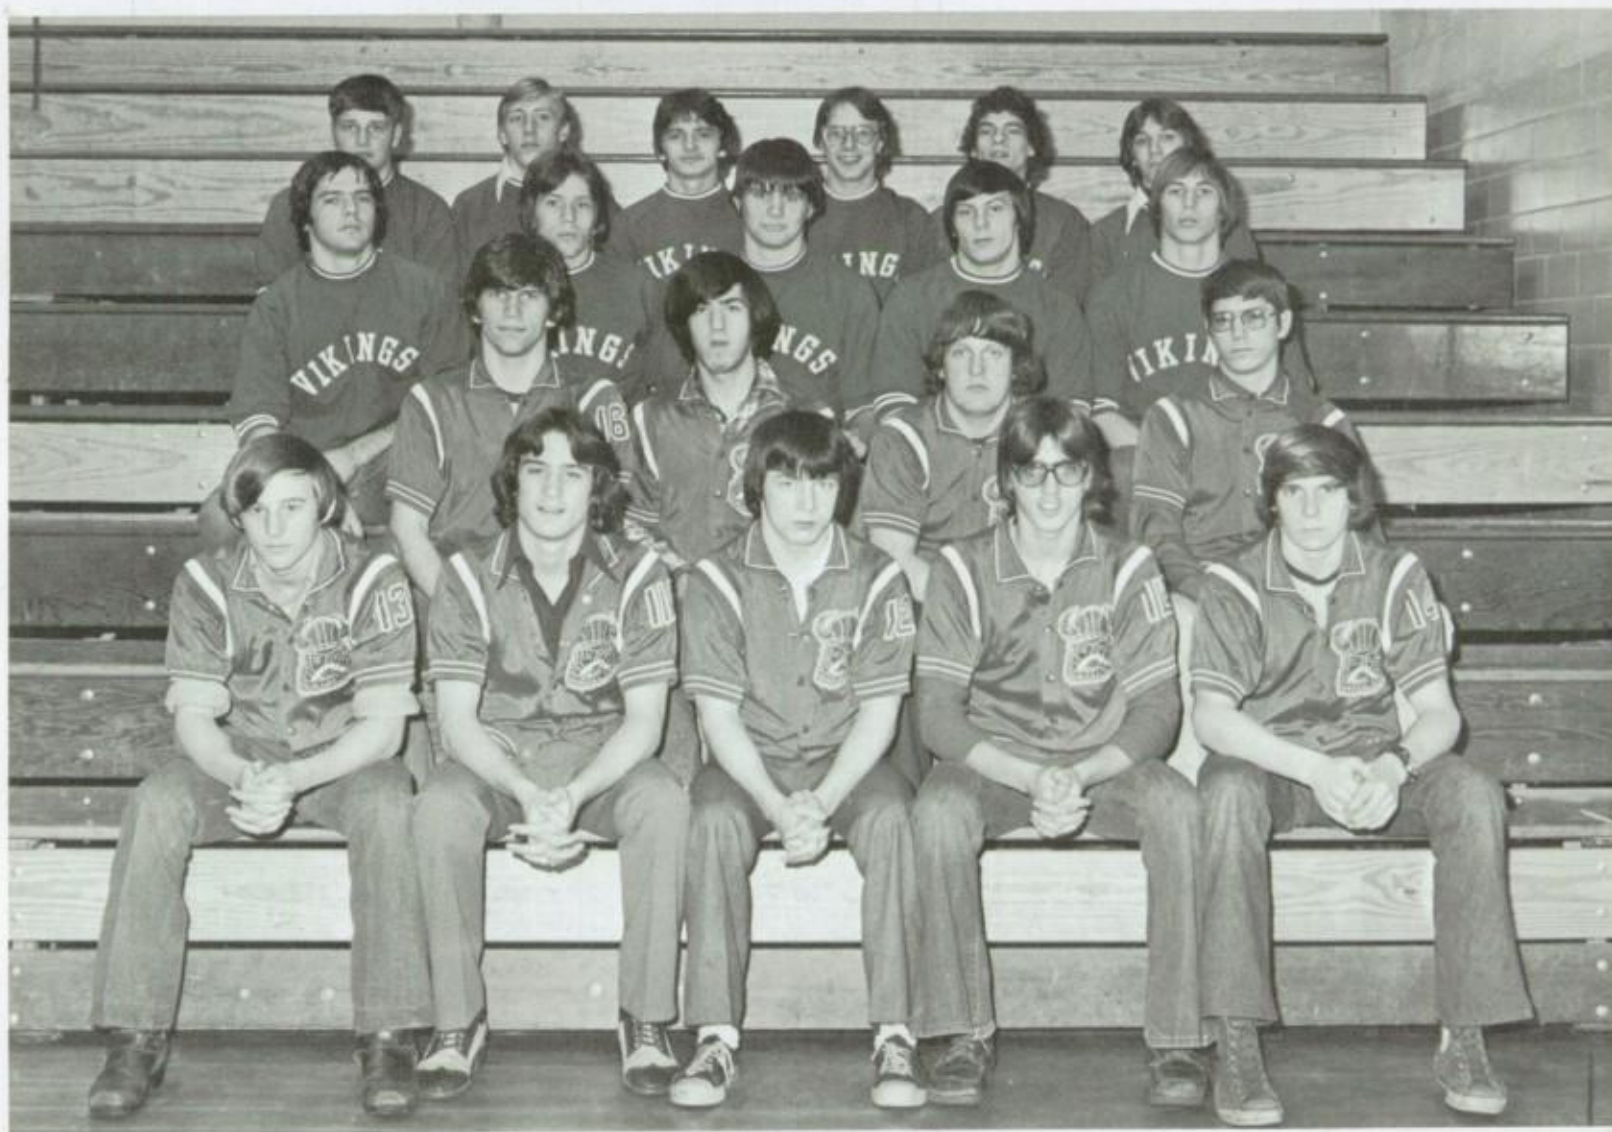

Under the direction of Coach Mike Picarsic, the 1975-76 Viking Matmen put forth a great effort as they finished off their season with a record of 5 wins and 9 losses. To some this record was not significant, but to our matmen who devoted many hours of practice and hard workouts this record showed much improvement from past years.

Coach Clarence Gorinski's team ended their season with a 13-1 record to take the WPIAL Section Ten Title. Playing a hard defensive game throughout the season, the Vikes worked their way to the top. The Lumber Company of Mount Pleasant made an impressive showing in each game such as the 11-2 victory over Southmoreland in the final game of Section Ten play. The playoff game against Penn Hills would end the season when the Vikes lost with the score of 4-3.

WITH THE THEME OF "TIME IN A BOTTLE", WE TRIED TO STORE ALL THE MEMORIES OF PEOPLE, PLACES, EVENTS, AND SPECIAL MOMENTS WITHIN THE BOUNDS OF THIS YEARBOOK. THE TIMES THAT WE HAD IN 1976 ARE PAST NEVER TO COME AGAIN. I HOPE THAT YOU WILL LOOK BACK OVER THIS YEAR AND FIND THAT IT HELD MANY SPECIAL MEMORIES. THOUGH YOU MAY NOT REALIZE, THIS BOOK IS CREATED FOR YOU AND MY GOAL WILL HAVE BEEN REACHED IF YOU FIND BUT ONE SECOND OF HAPPINESS IN IT.

I WOULD LIKE TO EXPRESS MY THANKS TO ALL THOSE WHO AIDED ME IN PRODUCING THIS LOG. SPECIAL THANKS TO MR. McKENNA, THE FACULTY, MR. PINTO, MR. GRADLER AND MR. OGRODNY. THIS YEAR MANY FOUND OUT JUST HOW MUCH THERE IS TO PUTTING OUT A YEARBOOK. THIS IS A YEARBOOK SO TAKE IT FOR WHAT IT IS.

EDITOR,
LINDA SNYDER

TIME IN A

*Before this time
Of leaving comes
To take us on our way
The times we shared will
Linger in our memories
Every day.*
